

PUMP HOUSING

Features Include:

- Compliments our range of Automatic pumps and Rainwater tanks
- Fully enclosed waterproof poly pump houses to match your rainwater tanks colour;
- Matches all colour bond colours
- Ensures that your automatic pump doesn't get damaged and is protected from the harsh conditions of our Australian environment.
- Our poly pump houses are also equipped with drainage holes to ensure that if water does get into your poly pump house; it will be immediately drained, ensuring no damage to your automatic pump.
